

Winerack- plus.com

**Everything for the professional
wine presentation and
storage**

Convincing solutions

wine lovers, shops and restaurants

Welcome to the European specialist for wine presentation

Stefan Woschek
(Geschäftsführer)

For almost three decades we have been dealing with the professional storage and presentation of wine. Whether standardized wine rack systems or customized solutions, optimal storage or perfect climate control, we always have the suitable solution for your wines. Our international team will accompany you from the initial idea and planning process through to production and professional assembly. On our site www.winerack-plus.com you will also find a large selection of standard shelving units, wine refrigerators and air conditioning units for every budget.

We are looking forward.

Yours

Stefan Woschek

Stefan Woschek
